

**Winners of the ITAA
Eric Berne Memorial Scientific Award
1971 – 1987
and
Eric Berne Memorial Award
1994 - 2015**

Most of the articles that were cited as the basis for these awards can be found in the Transactional Analysis Journal (TAJ) Archive at SAGE Publications. ITAA members can download these articles for free from the SAGE website by clicking on the relevant URLs in this document, which leads to the member login screen. (Nonmembers can also download these articles for a small fee.)

Some of the articles listed below are not part of the TAJ Archive. The four that were published in the Transactional Analysis Bulletin (TAB) will soon be available through the Eric Berne Archive at the University of California, San Francisco. Once they are posted online, we will add those URLs to this list. Meanwhile, we have provided links to alternate articles or acceptance speeches for those winners whose cited materials are not available through SAGE. Other cited materials are from books and/or other publications not available online, although as noted, some of the books can be purchased through the ITAA.
